

Appl No. 10/761,563

REMARKS

This Response is submitted in response to the Office Action dated January 25, 2006. The Office Action is a restriction requirement requiring restriction between one of four inventions:

Group I – Claims 1-5, drawn to an apparatus (an information terminal);

Group II – Claims 6-10, drawn to an apparatus (a navigation system for providing positional information through a network);

Group III – Claims 11-12, drawn to a process (an information processing method for displaying positional information); and

Group IV – Claim 13, drawn to a product (a computer program).

Applicant elects, without traverse, Group II – claims 6-10, drawn to an apparatus (a navigation system for providing positional information through a network).

Applicant reserves the right to file a divisional application(s), if necessary, to any non-elected claim subject matter.

Respectfully submitted,

BY
